

Future Tech

Acest site este conceput drept un magazin online de invenții avansate din domeniul tehnologiei.

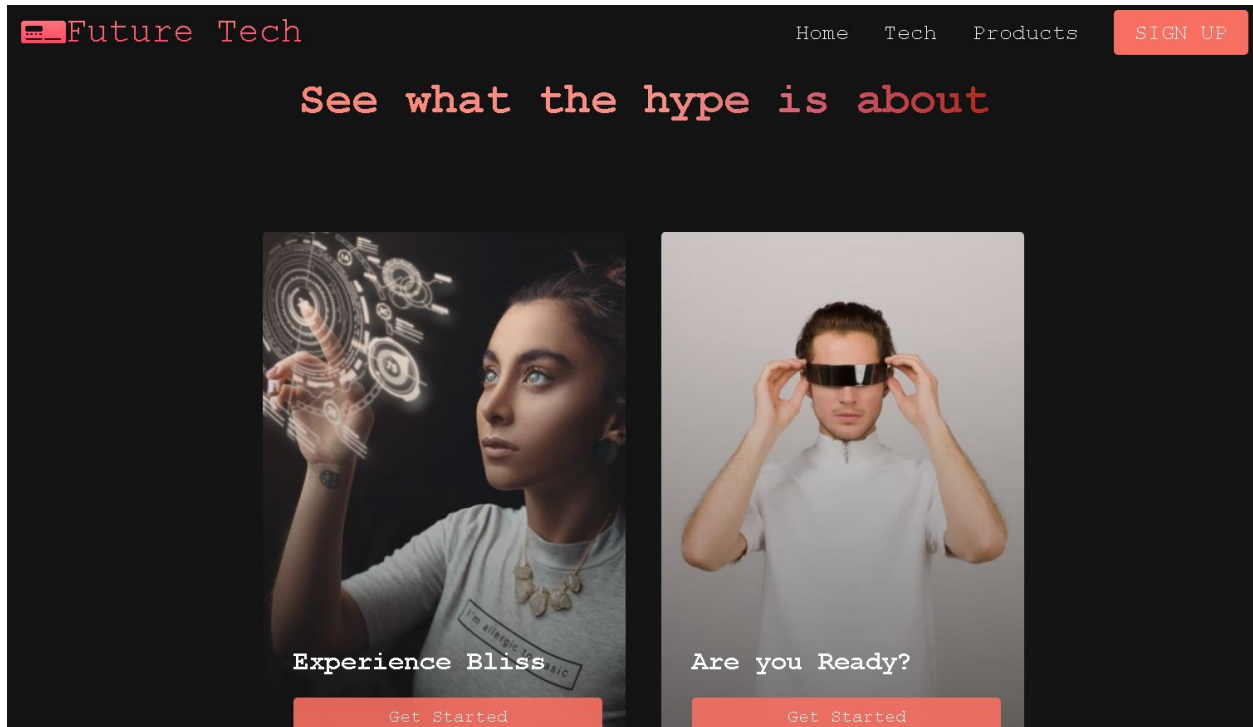

Prima pagină conține în secțiunea din dreapta sus logo-ul site-ului, care trimite utilizatorul la pagina de pornire.

Meniul este format din 3 file: Home, Tech și Products. Chiar lângă se găsește și butonul de autentificare pentru a permite utilizatorului să cumpere produsele afișate în pagina Products.

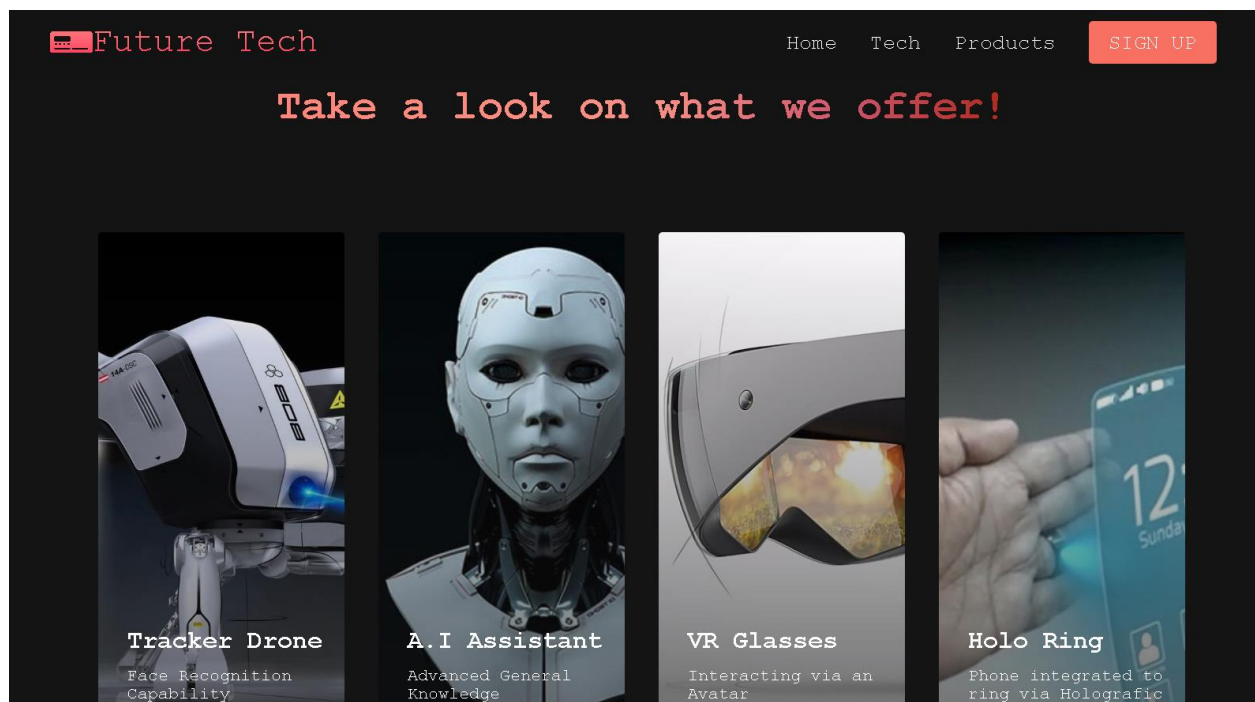

Butoanele Get started pot conduce spre pagina de autentificare, dar pot fi și responsive atunci când cursorul este peste ele.

Pictogramele pentru promovarea produselor sunt de asemenea responsive.

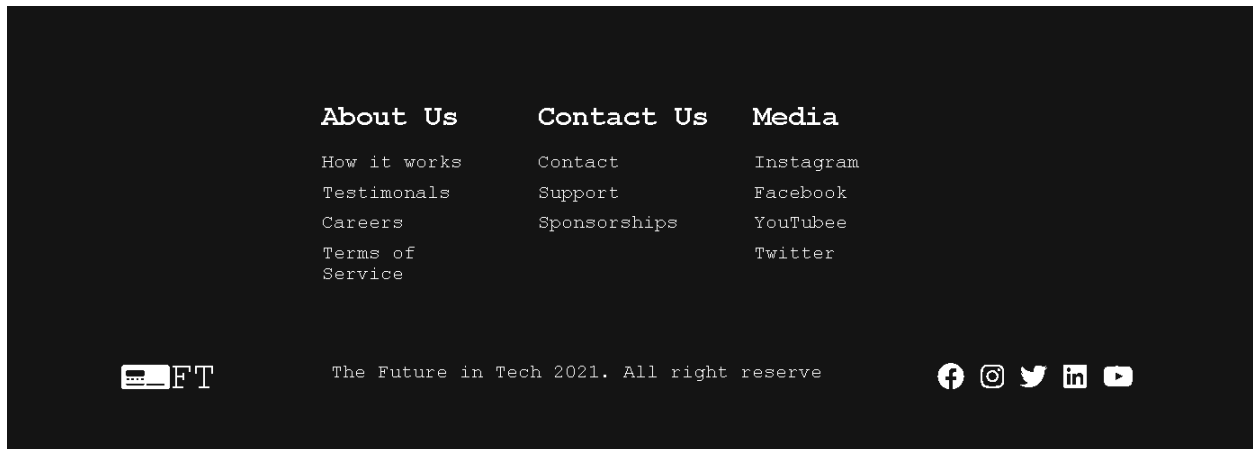

Pagina care se ocupă cu afișarea produselor este Products. Casuțele sunt de asemenea responsive la mișcările cursorului.

La finalul meniului se regăsește formularul de autentificare .

The screenshot shows the 'Sign Up' form on the 'Future Tech' website. The header is identical to the previous image. The form is titled 'Sign Up' and includes the instruction 'Please fill in this form to be the next to try our products.' It contains three input fields: 'Email' (placeholder 'Enter Email'), 'Password' (placeholder 'Enter Password'), and 'Repeat Password' (placeholder 'Repeat Password'). Below these fields is a 'Products we offer:' section with a dropdown menu currently set to '--Select--'. There is a 'Remember me' checkbox which is checked. At the bottom, a line of text states 'By creating an account you agree to our [Terms & Privacy](#).' The form concludes with two buttons: a red 'Cancel' button and a green 'Sign Up' button.

In footer-ul siteului avem secțiuni precum About us, Contact us și Media.

De asemenea, din footer se pot accesa și paginile How it works, Testimonials sau Careers.

Pagina How it works descrie compania și metoda lor de a selecta persoanele care iau parte la procesul de inovare.

How does our company work?

Being a small company we cannot provide everyone with a place to try the innovations we advertise, so we try out best to have people come and have an experience.

How do we select?

The selection phase does not have any criteria we have our team check the applicants time and date of Registering and then we follow up with a date management so everyone gets their time as YOU all deserve!

Pagina de testimoniale afișează părerile persoanelor care au avut ocazia de a experimenta ceea ce compania are de oferit, fie în calitate de client, fie de angajat.
